Day 03 (09th Oct. 2017)

Negombo / Pinnawala / Kandy

After breakfast leave for **Kandy**.....literally the "City on the Hills" so named as it was protected by the nature - water, rocks and jungles. The last capital of the Sri Lankan kings before falling to the British in 1815AD which is a World Heritage Site. The name Kandy conjures vision of splendour of magnificence. Many of the legends, traditions and folklore are still lovingly kept alive. The centre of attraction is the golden roofed Temple of the Tooth Relic of Lord Buddha .The Kandy Lake built

by the last King Sri Wickramarajasinghe in 1806 holds a prominent view of the City. It is a City for arts and crafts as well culture and history

*En-route visit **Pinnawala...** established in 1975 as an effort towards education and conservation by way of scientific captive breeding. The Elephant Orphanage located on the banks of the Maha Oya, established to give shelter to elephants who are displaced from their natural habitats due to various reasons such as environmental changes due to development projects, being abandoned by their parents when they fall into pits and ravines, etc. It is most interesting to visit Pinnawala at feeding time when the baby elephants are bottle fed their milk, or at bath time when the whole herd is walked down to the river for their baths.*

- Leave for a City Tour including the **Upper Lake Drive** - a place where one could have a bird's eye view of the city below, **Temple of the Sacred Tooth Relic of Buddha** - by far most important place of worship for Buddhists world over, a **Gem Museum** - to see how the valuable gems that you see a shop shelf are turned out from a raw stone with the background history.
